

Board Plans

Introductory information and resources on board planning can be found under Area of Polygons. (Note step numbers are from 2012 and may differ from 2013 materials.) Photographs from the lessons on area taught by Bill Jackson at the 2012 Summer Institute are below.

Click on any of the photos above to see a larger version.

Makoto Yoshida's presentation on board organization (from the 2012 Summer Institute) can be found on [this website](#) (along with other materials from our both our 2012 and 2013 Summer Institutes).
